

The image shows the front cover of a book titled "Yellow Jacket". The cover is a golden-yellow color with a complex embossed texture. A vertical decorative strip runs down the center, featuring a repeating geometric pattern of interlocking squares. On either side of this strip are large, stylized, triangular shapes that resemble the wings of a yellow jacket. The background of the cover is covered in a dense, swirling, organic pattern that looks like wood grain or a marbled texture. At the bottom, a horizontal rectangular label with a thin border contains the title "Yellow Jacket" in a blue, cursive script font.

FOREWORD

We, the Senior Class, have published this annual with the intentions and hopes of showing you, our readers, some of the highlights of our school life. All the valuable experiences are too numerous to mention, but we have selected some of the most important events. As you reminisce with us, think of us then and now, and observe the progress we have made.

This volume of the **YELLOW JACKET** will be the final history of the high school life at Crabtree-Iron Duff. We have tried to make it the best, and much work has gone into it. We hope you enjoy this publication as much as we have enjoyed creating it.

Jean and John Best,

Editors

HISTORY OF CLASS OF 1966

The class of 1966 made its debut at school in the fall of 1954. There were thirty-five wide-eyed, curious youngsters--some scared and crying--that faced this big, new world. We give Mrs. James Kirkpatrick the credit for leading us through the first step of our great, new adventure. Under her guiding hand, using patience and understanding as her key "tools", we learned what was expected of us and gradually fell into the swing of school life. We were often disappointed because we couldn't always do as we wanted to. During the rest of our primary years Mrs. Roxie James, Mrs. Woodrow Plemmons and Mrs. Don Crawford guided our activities. During these four years we lost many classmates, but, in return, we also gained some new ones. One of the most important things we were learning was getting along with others. Many of us participated in the operettas given by the primary grades each of the four years.

During the grammar grades Mrs. R. J. Hahn, Mrs. Arnold Terrell, Mr. B. S. Gilliland and Mr. Glenn Noland were in charge of our activities. We were beginning to take our part of the load. We thought these were the busiest years of our lives, but each year we were learning differently. Our preparations for high school were becoming more complex, and we were looking forward to the day we would enter high school. Our first big disappointment came when we learned we couldn't have an eighth grade graduation. But this was soon forgotten in the excitement of entering secondary school.

In the fall of 1962, twenty-nine freshmen entered the ninth grade. Our initiation into the phase is something to be remembered. After this we began joining clubs and taking part in many of the other activities. Mrs. Glen Noland and Mr. Guy Angel were responsible for our introduction into high school. Our presentation for Dramatics Night was entitled "Scary Hollow". Then, before we realized it, twenty-eight of us were entering school as sophomores. In November of that year a tragic car wreck took away our friend and classmate, Tommy Smith. We decided then that our annual would be created in memory of him. We shall not forget him as his spirit has remained with us throughout high school. After that our entire class seemed closer together. But we could not remain in sorrow because of school work and activities. That year we selected "Murder They Say" as our play for Dramatics Night.

Twenty-one of us entered the junior class and soon ordered our class rings. We made preparations for the Junior-Senior Banquet at which we honored the seniors. The theme of the banquet was "A Song In My Heart". It was a big success and we are looking forward to the night we will be honored in the same way. Our play that year was "Bachelor of the Year".

Eighteen seniors stand together preparing for the future. We realize that we are the examples for underclassmen and we accept this. We are enjoying the benefits of seniors: publishing this annual, ordering invitations, diplomas, and gowns. Mrs. Oral Yates is our senior class sponsor and without her it would be almost impossible to finish out the year. We are grateful to all the teachers, parents, cooks, custodians and all the other members of the staff. We shall all look forward to receiving our diplomas. To some, this will be the end of formal education; but to the rest of us, only a stepping stone to college and our future work. But toward the end of the year, it will be with reluctance that we leave as graduates; but like others in the past, we shall move on and take our place in the future.

Jean Best,
Historian

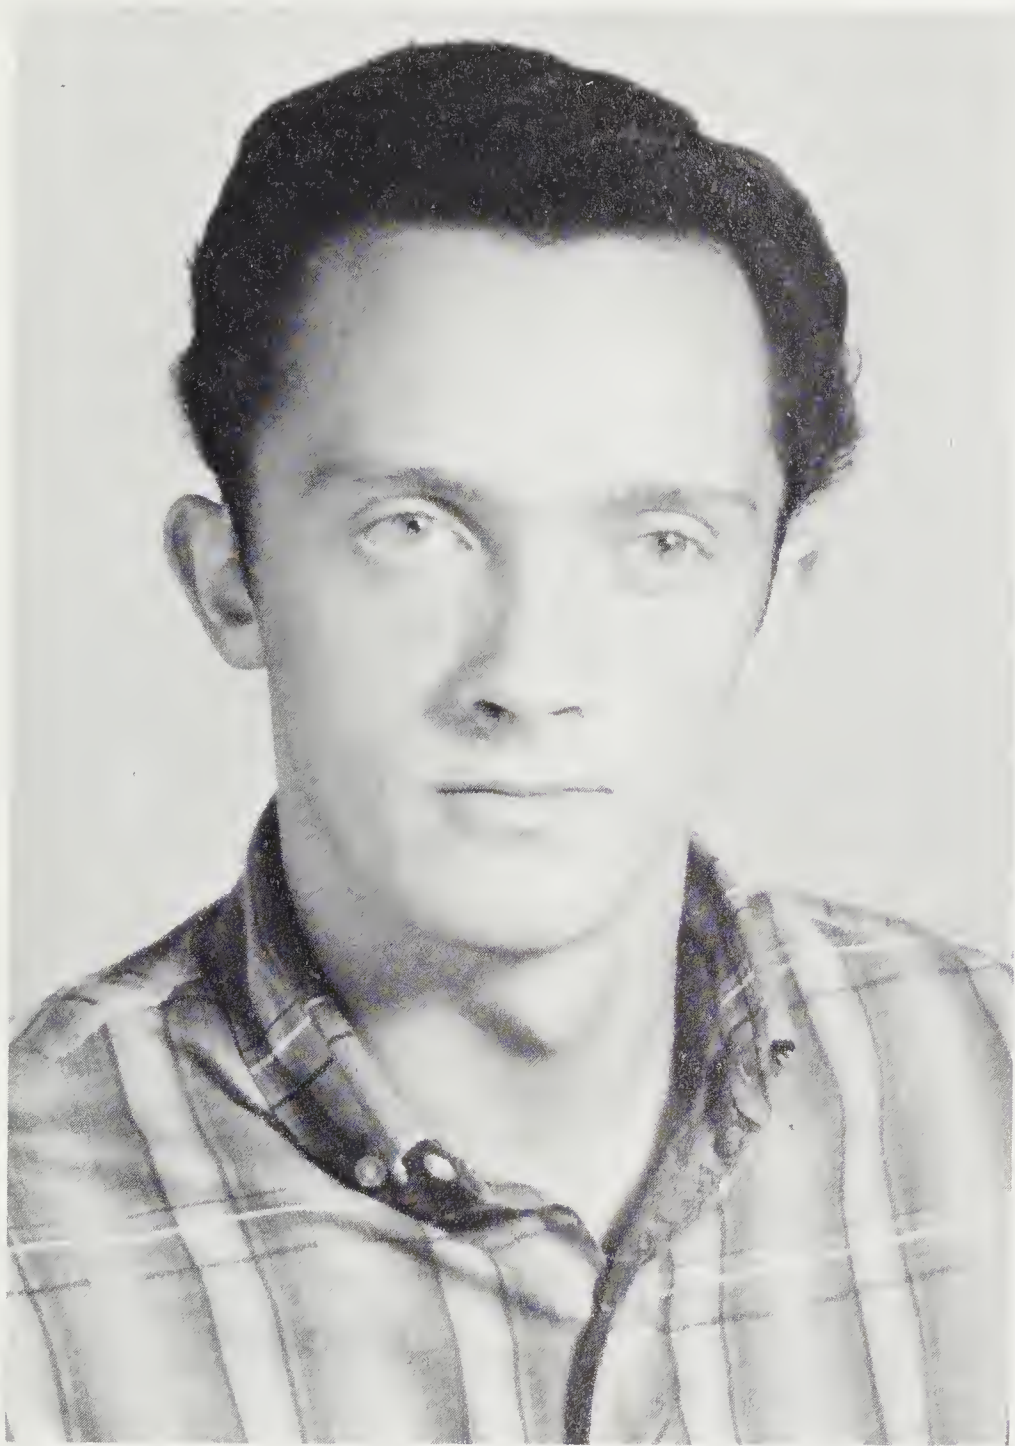

IN MEMORY

Many friends have come, remained a short time, then have gone.
One classmate came, stayed one and one-half years, and went away;
yet, his spirit has been with us since.

His easy manner, reassuring smile, and winsome personality have
left their effects upon every member of the class. In fact, his presence
is almost real when the group assembles.

The memories we have of this friend inspired us to create this
edition of THE YELLOW JACKET in memory of him-- Tommy Smith.

DEDICATION

Many factors have been responsible for our happy high school years. One of the greatest contributors to the four wonderful years is the person to whom we dedicate this, our 1966 yearbook.

His firmness we respected; his leadership we admired; his friendship we needed; his advice we heeded most of the time; and his willingness "to go the extra mile" was a fine example for each of us. He did not always agree with us, but he listened to our story. So, for all of these qualities, we proudly dedicate our only annual, and the last edition for Crabtree - Iron Duff High School, to Robert C. Evans, our principal and friend.

SENIOR CLASS PROPHECY

This is 1986. It has been 20 years since graduation at Crabtree - Iron Duff High School. As reunion secretary, I have just written to each of my classmates to remind them that this is the year for our fourth reunion. As the last graduates of the school, we agreed to meet every five years on Mocking Bird Hill for a get-together to rekindle the memories of our dear school days.

I have the following information in my file concerning each of the eighteen members of the class of '66:

Dean Best is starring with Liz Taylor in "The Rabbitskin Kid."

Jean Best has just returned from her honeymoon with her fifth husband, Ted McElroy.

Edward Clark has retired from the Army after spending six of his eight years in boot camp. He is now America's potato peeling champion for five consecutive years running.

Carroll Hawkins is co-owner of Crystal Beach Amusement Park at White Lake, North Carolina. Carroll and his wife, the former Miss Galyle Surratt, agree there is nothing greater.

Dale Glance is the best hot rod driver in North Carolina. Of all the roads he has driven, he prefers Upper Crabtree. Do you wonder why?

Freida Greene is happily married to Professor Hawkins, one of Western Carolina College's Sociology instructors.

Mildred Hughes is a famous stage actress. Her latest play, "The Unsinkable Mildred Hughes", is breaking records.

Freda Lee and Carol Crawford, old maids of Iron Duff, have just completed a million trips around Charlie's Place.

Patty Milner has carried her basketball career to the big goal. She is now head basketball instructor for the "Great Logans".

Charles Ray Best and his wife, the former Louise Noland own a one-acre chicken farm on Big Branch.

Doris Owenby has arrived home from her yearly trip to Europe to purchase the latest hats.

John Best has taken over the Jack La Laine Program on television to improve and check the millions of figures . . . He always was good at figures!

Gary Rathbone is presently employed at Glance & Hawkins Chevy Racing Association at Hawk Bone Race Track.

Mary Edith Messer is working at Belk Hudson Department Store. She has been trying for the past six years to catch her boss.

Martina Rector is still Sear's top model of ladies lingerie.

Yours truly is secretary to the manager of the Smoky Mountain National Park.

Carlene Ferguson,
Prophetess
